LEGAL NOTICE

July 9, 2008

A draft Environmental Assessment (EA) has been prepared for the purchase of approximately 72 acres of land from the Holmgren Ranch, along the Yellowstone River, west of Columbus, Montana. The proposed acquisition will provide public access to the river at a strategic location, and secure the future opportunity to develop additional recreational amenities.

The EA can be reviewed on the Fish, Wildlife & Parks (FWP) website at fwp.mt.gov under recent public notices.

Questions and comments will be accepted through **August 8, 2008** and may be addressed to Holmgren Acquisition, FWP, 2300 Lake Elmo Drive, Billings, Montana, 59105, or e-mailed to dhabermann@mt.gov. Copies of the draft EA can be obtained from the FWP office at the above address or by calling 247-2940.

Legal Notice to appear two times, at least a week apart, prior to comment period deadline.
